**Notes:**

- 1 - split candidate
  - 2 - new carni queen has started laying
  - 3 - Queen cups, need to check for new queen
  - 4 - split candidate
  - 5 - new queen, marked her green. She is tiny.
  - 8 - I need to decide if I want to swap this queen.
- I have 2 new Old Sol queens coming on Wednesday. Should I split 1 and 2 or should I put them in 3 and 8?
